Press Release

1. Rubin Broadcasting Inc., and BizNet OnLine Magazine enter into a great "Info-Rangement"

"Info-Rangement"?

Bullhead City, AZ, December 20, 2017 : Yes, Info-Rangement! When two great companies agree to enter into an **Arrangement** for one to help the other obtain **Information**, you get an **Info-Rangement!**

And this is just what Mike Lipshultz the Publisher and Executive Editor of BizNet OnLine Magazine and Steven Rubin CEO of Ruben Broadcasting have done!

Mike Lipshultz with over 40 years of Journalism contacts (The last 20 years as Publisher / Executive Editor of BizNet OnLine Magazine) has files and files and even more overflowing files on great stuff. From High Tech to Low Tech, With Categories from A to Z. And with all the "Trade" events he attends, those files just keep growing.

"I get contacted all the time about doing stories on all kinds of stuff, and requests to even review products" said Mike. "Now with the connection to Rubin Broadcasting Inc., there is an even wider audience for all the great stuff and information that comes my way" said Mike.

"With Mike working out of his office in Arizona, but still less then a two hour drive from Las Vegas, it's so much easier for him to cover all those great events for us".... This is a great Info-Rangement for both of us!" Said Steven Rubin, CEO of Rubin Broadcasting Inc.

Mike will have the Title of Advisory Executive Editor with Rubin Broadcasting Inc.
